professional

The number one choice of skin therapists worldwide, even for their own skin.

## created by a skin therapist, for skin therapists

At Dermalogica, our focus has always been on the professional skin therapist. We know a client's best skin begins in your hands. That's why, instead of focusing on beauty, we focus on skin health. And instead of promising miracles, we deliver results.

Every Dermalogica professional-use-only product is researched by The International Dermal Institute, and none are made available to the public. This means you have exclusive access to the most robust, trusted and effective professional product system in the industry.

Experience the ultimate in professional skin therapy – and give your clients their best skin ever.

Professional Skin Therapist,  
Founder and Chief Visionary

## core concepts for proven success

We don't believe in treatments that are just good. We believe in treatments that are so great, your clients won't want to go anywhere else. Designed to spotlight your expertise, our innovative core concepts are a gateway to better skin treatments – and better business.

## face mapping® skin analysis

This hybrid of ancient Eastern techniques and modern Western medicine helps you pinpoint skin concerns with unsurpassed accuracy. It's also been shown to improve client retention and boost retail sales by up to 40%!

## skin bar®

This unique interactive selling experience lets you guide your clients as they get hands-on with Dermalogica products. It also increases Face Mapping® opportunities to help you maximize revenue.

## microZone® treatments

Introduce new clients to the Dermalogica Skin Treatment and help busy clients maintain their best skin ever with this 20-minute solution for top skin concerns.

## the dermalogica skin treatment

Different every time, our signature skin treatment is fully customizable to your client's needs. It includes professional double cleansing, exfoliation, extractions and targeted solutions.

## touch therapies

These 15- to 20-minute add-on massage treatments leverage the power of touch for special attention where it's needed most.

## results-driven formulas as unique as your clients

Dermalogica's professional-use-only formulas are designed to help you effectively target your clients' skin concerns for their best skin ever. For best results, start with a Face Mapping® skin analysis – the ideal way to diagnose and meet your clients' skin health needs.

### Daily Skin Health

Ideal for all skin conditions, these core formulas help balance moisture levels and provide a strong foundation for your treatments.

### MediBac Clearing®

Adult breakouts have no chance with this highly-effective, non-irritating system in your treatment room.

### UltraCalming™

Target the multiple triggers behind sensitive and sensitized skin to tackle redness, itching and irritation.

### PowerBright TRx™ (retail only)

Treat, control and prevent hyperpigmentation for a brighter, more even skin tone.

### AGE Smart®

This powerful system smoothes and firms while helping to control the biochemical triggers that lead to skin aging.

### Thermal Body Therapy

Keep the body at a thermoneutral state for better product penetration and create the ideal comfort zone for clients.

Every Dermalogica Professional Cleanser is soap-free and pH-balanced to ensure your client's cleanest skin ever.

- precleanse**  
 All skin conditions.  
 A lightweight cleansing oil that gently liquefies sebum and oil-based debris from the skin's surface.
- soothing eye make-up remover**  
 All skin conditions.  
 Gentle oil- and alcohol- free formula thoroughly removes eye and lip makeup.
- dermal clay cleanser**  
 Oily skin.  
 Super-absorbent Kaolin and Green clays wick away excess oil, deep-cleanse the skin and refine its texture.
- special cleansing gel**  
 All skin conditions.  
 Soap-free botanical blend foams away impurities without leaving skin tight or dry. Ideal with electric brushes or Skin Prep Scrub for a "power cleanse."
- essential cleansing solution**  
 Dry or dehydrated skin.  
 Deep-conditioning cream delivers nourishment where dry skin needs it most, without leaving a dulling residue.
- clearing skin wash**  
 mediBac clearing®  
 Breakout-prone skin.  
 Medicated cleanser helps clear congestion and minimize breakouts without overdrying.
- ultracalming™ cleanser**  
 UltraCalming™  
 Sensitized skin.  
 Extra-gentle cleansing and calming for skin aggravated by environmental influences.
- skin resurfacing cleanser**  
 AGE smart®  
 Mature or prematurely-aging skin.

Dermalogica Exfoliants instantly smooth and refresh while taking your skin treatments to a whole new level.

- **daily microfoliant®**  
**All skin conditions.**  
 Unique Rice-based enzyme powder microfoliates dulling debris and leaves skin noticeably smoother and brighter.
- **daily resurfacer**  
**All skin conditions.**  
 A self-neutralizing, leave-on exfoliation treatment to smooth and brighten the skin without irritation. Activator pads included.
- **daily resurfacer activator pads**  
**All skin conditions.**  
 Specialized application pads allow you to conveniently apply Daily Resurfacer and work over areas of particular concern. 60 count.
- **skin prep scrub**  
**All skin conditions, especially oily skin.**  
 Polishes away dulling skin cells while leaving skin supple and fresh. Ideal for mixing with Special Cleansing Gel for a “power cleanse.”
- **exfoliant accelerator 35**  
**Prematurely-aging skin.**  
 This low-pH (3.2) concentrate in a Chamomile Extract base contains skin-smoothing ingredients and fermentation enzymes to boost exfoliation.
- **skin exfoliant system mediBac clearing®**  
**Breakout-prone skin.**  
 A two-part exfoliation system comprised of **Enzymatic Base, Part A**, which contains active enzymes of Bromelain and Papain to help digest the protein of dead skin cells, and **Acidic Activator, Part B**, which combines Lactic Acid, Salicylic Acid and Sulfur to gently detach surface cells and stimulate new cell renewal.
- **multivitamin thermafoliant®**  
**AGE smart®**  
**Mature or prematurely-aging skin.**  
 Powerful thermal skin polisher refines skin texture and enhances penetration of age-fighting actives into skin.
- **multivitamin power exfoliant**  
**AGE smart®**  
**Mature or prematurely-aging skin.**  
 A maximum-strength exfoliant in a lipid base for optimal skin smoothness with minimal irritation.

Dramatically enhance your treatments – and benefits – with a powerful Dermalogica Masque.

- **colloidal masque base**

**Dry or dehydrated skin.**

A clear, botanically-active gel masque rich in phytonutrients that deeply moisturizes dehydrated skin.

- **plankton masque base**

**Oily skin.**

Thick, clay-based masque that is rich in Marine Plankton and minerals that possess remarkable balancing and stabilizing properties.

- **contour masque**

**Dry or prematurely-aging skin.**

Simply add water to this white powder for a smooth paste that sets and dries into a peel-off masque. Rich in Calcium Sulfate, it firms and contours skin by reducing edema with cooling temperatures.

- **sebum clearing masque**

**mediBac clearing®**

**Breakout-prone skin.**

Medicated clay treatment masque helps clear congestion, regulate oil production and soothe the skin.
