dermalogica®

The number one choice of skin therapists worldwide, even for their own skin.

hello, and welcome to your best skin ever

At Dermalogica, our passion for skin health borders on obsession. When others talk about pampering, beauty or fancy packaging, we deliver results. My heritage as a professional skin therapist always meant that my business was only as good as the results clients saw, and that is a philosophy that we live by today.

Every Dermalogica product is researched by The International Dermal Institute, and available for purchase from qualified skin care professionals worldwide.

Experience for yourself what the world's leading skin therapists have known for years. Meet Dermalogica, and your best skin ever.

dermalogica[®]
by The International Dermal Institute

a tailored regimen for every skin concern

Dermalogica's skin treatment systems are each designed to address a specific set of concerns to help you achieve your best skin ever. Not sure where to start? Ask your Dermalogica skin therapist for a Face Mapping[®] skin analysis, the ultimate way to diagnose your skin's needs and craft a personalized regimen to meet them.

Daily Skin Health

Whether your skin is oily or dry, our unique daily formulas will help maintain skin health and balance moisture levels.

MediBac Clearing[®]

Adult acne has met its match, with around-the-clock breakout clearing and prevention.

UltraCalming[™]

Our most gentle formulas provide serious relief for even the most sensitized skin.

AGE Smart[®]

Control skin aging at the source while helping to stimulate collagen production, increase elasticity and promote smoothness.

PowerBright TRx[™]

Treat, control and prevent hyperpigmentation for a brighter, more even skin tone.

Body Therapy

Our collection of naturally aromatherapeutic products delivers skin health from head to toe.

Daylight Defense

The ultimate in sun protection and care, these elegant formulas protect and help repair skin exposed to damaging UV rays.

Shave

This fully customizable system works with hair growth to help you get the closest shave, and your healthiest skin.

Clear Start[™]

Teen breakouts have met their match with these medicated formulas that are tough on breakouts, gentle on skin.

Every Dermalogica Cleanser is soap-free and pH-balanced for the ultimate start to your daily regimen.
